Entrepreneur & Venture Management Association

### Explore Clean Tech and Energy Research in the Trojan Community!

The USC Energy Club is hosting a poster night where Ph.D students can share their clean tech and energy research with the USC community.

Participate in the USC Energy Club Poster Night to:

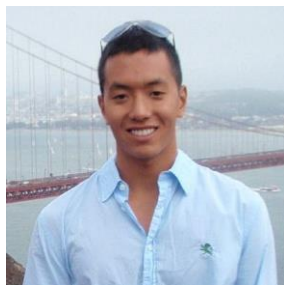

- Learn about cutting edge research in the energy sector
- Network with other USC students in the clean tech and energy arenas
- Join a team and compete in the upcoming FLOW competition where you can pitch your ideas to clean energy experts and win prize money

**Event Details:**  
Date: Tuesday, November 27<sup>th</sup>  
Time: 7 - 9:30 PM  
Location: Vineyard Room, Davidson Conference Center  
RSVP Requested: Nirat Patel, [niratpat@usc.edu](mailto:niratpat@usc.edu)  
[www.uscenergyclub.com](http://www.uscenergyclub.com)
